Our Village

*They called it the village of little boxes,
Sitting upon a hill.*

*They drove by on the busy road
And thought no more until ...*

*One day, wanting to leave the city
Of which they'd had their fill,
They remembered the crop of little boxes
Sitting on the hill.*

*Surprise! They liked what they could see
and bought one of the boxes.
The land had once an orchard been
with rabbits, birds and foxes.*

*A few years on, now driving by,
Boxes they are no more
But home to many, with trees and gardens
and children by the score*

Colts Football Club

The Under 16's and 17's Presentation Evening on 29th June 1999 at the Cambridgeshire Hotel was well attended by players and supporters, and thoroughly enjoyed by all. This was the first such event, and I am sure that there will be more to come in the following years. Awards were presented as follows:

Under 16's

Players of the Year

Managers' - Ed Papworth
 Supporters' - Chris Brown
 Players' - Dominic Carminati and Tim Hallam

Under 17's

Players of the Year

Managers' - Neil Jenkins
 Players' - Stephen Westbury
 Clubman - Kevin Mann

Three Under 17's players received awards for having played for the same team throughout the many years of competing in the Colts League. These players were:-

Lee Allison, Oliver Youd and Richard Watson.

Committee

Planning is well underway for next Season, and at the recent Annual General Meeting the following officers were appointed:

Chairman - Kevin Hard
 Deputy Chairman - Dave Kember
 Secretary - Diane Chapman
 Treasurer - Ian Crofts
 Adult Rep - Brian Howard
 Social Secs. - Ruth Fordham and Debbie Carminati

Managers for the new Season are:

U7s - Hairo Marin
 U8s - there is a vacancy for this position. Would any parent interested in running the Under 8's team please contact Diane Chapman on 781502.
 U9s - Kevin Hard & Nigel Barber
 U10s - Robert & Joanna Lee
 U11s Tornados - Barry Dean
 U11s Bombers - Stuart Moor
 U12s - John Lumb
 U13s - Carl Wilson & Ed Zuiderwijk
 U15s - Jack Fleming & Dave Kember
 U16s - Ian Crofts & Brian Howard
 U17s - Malcolm Ewles & Brian Phillips

At the AGM the previous Chairman, John Houston, tendered his resignation. All clubs need people who give 100%, but John's contribution to the success of Bar Hill Colts has been much more

than could have been expected. From managing teams, marking pitches and helping at fund raising there is, in my opinion, nobody who has added so much. I particularly think that the club will miss his commitment to gaining sponsorship.

Also departing from the committee and as manager of the Under 16's is Tony Carminati. Tony also has given a lot of his personal time to running the team, and will, I am sure, be missed by the lads. However, no doubt he will also be spotted most Sundays next year on the touchline, supporting both the Under 17's and the Under 12's.

And finally, a farewell from me. I too have resigned after many enjoyable years, and would like to take this opportunity to thank all of the players in the Under 17's team, John Aves for helping to run the team, and all of my fellow committee members for their help and support. As I have said many times before in this article, the Bar Hill Colts Club goes from strength to strength and has such a strong membership that it can only continue to be No 1 in Cambridgeshire. Good luck to all of the players in the future.

Other

A change in temperature seems to have given rise to a few acts of mindless vandalism to cars. Complaints are regularly received about football playing in the Acorn Avenue/Almond Grove area. It's not the actual playing that upsets the residents, but the noise/language and trespassing collecting lost footballs. Two juveniles have been informally warned re a similar incident.

If you have any information on a non-urgent basis then please ring 01223 358966, ask for voicemail 1790 and leave a message.

Richard Newman PC1187

Dear Editor,

To introduce myself, I am a Sri Lankan, a Senior Journalist, on holiday in Cambridge, staying in Pheasant Rise with my son-in-law, Dr. Karl Millington, my daughter Charmaine, and also at Hauxton with my brother-in-law Dr. W. Gilks and his wife, my sister-in-law, Anome. This is my second visit to Cambridge on holiday, the previous occasion being in June 1997.

Of all the newspapers and monthly and weekly publications I read, I take the keenest interest in the Bar Hill News. The reason being that it is a communication system which renders an invaluable service to the people in the community. In our country there are also various voluntary organisations for community development in rural areas as well as towns, but after reading your news bulletin I realise what we lack most is this type of publication which could have better results in bringing the whole community together for the common benefit of all. As a preliminary step I have therefore decided to persuade the authorities concerned to introduce this type of publication in the town area where I live on my return.

I will be leaving for Sri Lanka on June 22nd and before I do so I would like to convey my best wishes to the Bar Hill Residents' Association and through you to the residents of Bar Hill.

W. A. M. Joseph

Dear Editor,

Just a few lines to thank you for enclosing my letter in the April issue of the BHN.

Dear Editor,

About a month ago I lost a big brown envelope containing some valuable personal papers. A kind lady found them in Tesco's car park and phoned me to say that she would return them.

Unfortunately I didn't note her name, phone no. or address at the time, and she has still not returned it. I have put a notice up at Forbuys and Tesco, but still no envelope! Can you help?

I have lived in the Dry Drayton area all my life and have recently written in the Dry Drayton news letter about my memories of this area over the last 70+ years. I used to work in the fields that are now 'Bar Hill' and, if I get this envelope back, I would be able to tell some tales!

Mr. S. G. Martin, Cambridge Housing Society
Langdon House, Scotland Road
Cambridge CB4 1QE
Tel: 01223 360982

The lady who found them phoned up again and said she would pass them on. But, sadly, yet again I forgot to take her name and address and I still do not have the papers.

Kind regards, Mr. S. G. Martin

Editors note:

If the lady mentioned in this letter would like to contact me, the Editor, about these papers, she can either deliver them to 48 Foxhollow or ring me on 200941 and we will arrange for them to be collected (or save her embarrassment if they have been lost again!) Then, hopefully, we can get them delivered back to Mr. Martin.

Allotment Society

If you like the highest quality vegetables of known provenance and perhaps prefer organic produce then you should consider taking an allotment. There are usually one or two spare plots, so, if you are interested, contact Paul Lloyd, 200591. We find that most types of vegetable will thrive at Bar Hill, particularly onions and garlic, in my experience, also hardy plants such as rhu-

barb. And how about special treats like asparagus and raspberries? I have picked the first strawberries already this year, and though they are not as even in size, shape and colour as commercially grown fruit the flavour is better by far. There is still time to sow flowers (such as wallflowers) for next spring, as well as carrots, beetroots, swedes and salad crops, so if you start now you will get some results this season.

Wanted, for Allotment Society use: any reasonable quantity of 2 ft square paving slabs. Collection can be arranged by contacting Keith Morris, 782441.

Bar Hill Parish Council

 **2 The Mall** 
780456

The monthly meeting of the Parish Council took place on 17 June 1999.

Tesco Redevelopment

The Parish Council is still in the process of obtaining the value of council land required by Tesco for their proposed redevelopment.

Revised site plans, with minor amendments, have been received and are available for viewing in the Parish Council Offices at 2 The Mall, between the hours of 9 a.m. and 1 p.m.

Tesco have assured us that the final plans will be on view in the main store and will include a phasing plan for Villagers information.

Grass Cutting

The grass cutting contract has been revised. 90% of Parish Council land should now be being cut. If there are areas in your vicinity which have still not been cut please contact either myself on the above telephone number or Paul Lloyd, during the evenings on 200591.

Bar Hill Youth Centre

The Youth Centre will remain open Monday to Thursday evenings during the summer holidays.

Play Area Refurbishment

The play areas in the Village have now been refurbished. Unfortunately vandalism has already occurred. Youths have been seen scratching their names onto the new equipment. For some reason they see no harm in this. I will follow up any details given of culprits and liaise with Cambridge Constabulary which could result in charging those responsible with criminal damages.

Handy Telephone Numbers

StreetLights: (freephone) 0800 253529 give the CCC No. (which will be written on the lamppost).

Other Matters

If you have any queries it would help if you could put it in writing and post through the door of Anne Norman's Wool Shop, (I collect from there daily). If we receive a letter it can be passed on to the relevant Councillor to follow up, I am then able to see the item through to a, hopefully, suitable conclusion.

Lesley Sadler, Parish Clerk

Christian Aid Week

This year's house-to-house collection in the Village raised a total of £1351.52, a small increase over last year. Thank you to everyone who gave to make this collection a success. The total raised will go to help those in desperate need in the Third World.

Little Acorns

Little Acorns is a privately run pre-school, where children are treated as valuable individuals and encouraged to participate in a wide variety of planned educational activities in a friendly, sociable environment. There are 3 qualified members of staff at each session.

Children are now welcome from age 2½ years. We would like to make places at Little Acorns available to all children who require them, so, if financially you would find it difficult, please telephone us and we will try to work something out! Please note that we are now reserving places for 2001/2002, so you do need to register your child early to avoid disappointment!

Our sessions are held in the Church Centre on a Tue. morning and Wed., Thu. and Fri. afternoons. We also have sessions in the School Studio on Mon. and Wed. mornings. (Mon. - children due to start School, Wed. - open to all ages)

We have a system of record keeping, enabling us to monitor each child's progress throughout the year. Each child is also allocated a 'key-worker', a member of staff who specifically monitors the children in their group. Several parent consultation evenings are provided throughout the year, ensuring that parents are kept up to date with their child's progress. We are also available at home to receive calls from parents wishing to discuss anything at any time.

Each child works through a series of workbooks and is able to take reading or workbooks home at the end of each session to share at home with the family.

There is a copy of our OFSTED nursery inspection report available to anyone on request.

From the term after their 4th birthday children are entitled to 5 free sessions per week under the Nursery Grant Scheme.

If you would like to find out more about the wide range of activities we offer or would like to arrange a visit please telephone us at any time. We would love to meet you and your child. Alternatively registration forms are available in the Toddlers room or the Library.

Health Council

The Annual Report for the year 1998/9 is now available from Avril Williams 782431 or the main office 01223 362638. It contains a summary of how the Council have been improving local health services in the region.

This coming year they will be focusing on:- the supply of meals to the Addenbrooke's wards, the Cambourne development, cancer services and patients awaiting alternative accommodation (PAAAFEs).

A quick glance at the 1998/9 Annual Report shows the following facts:-

Now that summer is here make sure that you do not leave your house, car, garage and garden shed unsecured when you are not around. It only takes a sneak thief a moment when your property is unsecured.

Warning - If you receive a phone call at work telling you that you have won a prize and the caller then asks for your home address and post code don't give that information. The prize may be inviting, but most likely you are being set up for a house burglary.

Warning - Don't let anyone into your house unless you are absolutely sure that the person is genuine. This is a

* From the Chief Officer's Report - Cambridge CHC was allocated £127,388 from the regional office and helped over 270 new clients with problems relating to enquiries, disputes, independent reviews, referrals to the Ombudsman and several cases carried over from 1997/8.

* Quote from the Convenors' Report - 'Ongoing concern about the ability to reach Addenbrooke's Hospital because of transport problems led to a well attended meeting at Bar Hill, where the public were able to question health managers on new attempts to solve the problem.'

Bat Chat

At this time of year many of us go for gentle walks in the late summer evenings often accompanied by a cloud of midges and if we're lucky, the swooping and Circling of bats.

These much maligned creatures get a very bad press, conjuring up images of blood sucking, lip smacking vampire bats causing many to run screaming in terror.

However, the only bats even vaguely fitting this description live in South and Central America and even then they prefer to feed from cattle or birds than nasty tasting humans. In fact, in their swooping flight, our bats are eating the midges and biting flies that do actually suck our blood!

Another widespread belief surrounding bats is that they are blind. People often accuse others of being 'blind as a bat', when in fact bats can see quite well. They need their eyesight to make sure it is dark enough for them to leave their roost and also to see round inside the roost. Their eyesight is thus suited to low levels of light and they cannot distinguish colour, so how about 'as colour blind as a bat'?

Bats find their way around in the dark and locate flying insects by echolocation, or rather by giving a loud short shout and listening to all the echoes bouncing back and noting how quickly they re-

turn. The echo from a tasty moth fluttering a few feet away will return faster and louder than that from a far building. If after the next 'shout' the moth echo has changed, the bat will know this is a flying insect and therefore, dinner.

The Wildlife Trust is organising several 'bat events' throughout July and August, so if you would like to learn more about bats and other wildlife or would like to know how to join, please phone 01223 712400.

Amphibians

*I glanced at the pond through my window,
No wind, but saw a ripple on top.
Went outside for a closer look,
All I heard was a 'plop'.*

*On hands and knees, face close to the water,
I looked into the depths below.
A webbed foot just disappeared,
I waited but it refused to show.*

*I've got frogs and toads in my pond,
Got some newts in there as well,
Pondskaters, dragonflies and other bugs
Some unknown, on the bottom they dwell.*

*Newts, frogs and toads in my pond.
If only one had to put down its roots,
I love them all very dearly,
But I know I'd have to choose newts!*

Pre-School Playgroup

We would like to welcome you to The Bar Hill Pre-School Playgroup.

We are located in the Village Hall Centre on the Village Green and can easily be reached by footpath or from the perimeter road via The Spinney.

The aim of our successful playgroup is to enhance the personal and social development of **all** children placed in our care. This is achieved through the various activities we have in our **two rooms**. This provides the educational setting required by OFSTED. All our sessions are run by our team of trained experienced, and friendly ladies - Heather, Jenny and Gill.

Session times:-

Mon, Wed & Thu.	9.15 - 11.45 am
Tue. 'Playtots'	9.30 - 11.00 am
Tue.	12.30 - 3.00 pm
Fri. 'Rising Fives'	9.15 - 11.45 am

Information

Did you know that at our Playgroup we use a vast amount of equipment? This includes a slide, climbing frame, a playhouse, various dressing-up clothes, a Brio train set, a sand/water play area, a painting area, a book corner and far too many puzzles and games to mention!

Each session has a timetable of events in both rooms. Our **Craft Room** provides us with the facilities to develop mathematics, scientific reasoning and Information Technology through a series of topics which incorporates the use of all the equipment.

If you would like to call in and see what we offer please do. The staff will be happy to see you. Our recent OFSTED inspection report, which was excellent, is held at Playgroup and we would be glad to show it to you.

We offer subsidised places to parents on Income Support and Family Credit. Any such requests go before The Committee and are dealt with sensitively and on an individual basis. There are also discount rates. Please call our administrator, Julie Jolley on **780445** to book a place or for more information.

Playtots

Good news parents! We've changed the age limit so that your child only needs to be **one year old** to come and join in the fun (the upper limit is now 2½ year olds). This session offers the ideal opportunity to set the 'feel' for playgroup life (interaction with peers, discovering the wonders of one's surroundings, the joy of playing, etc. etc). However there is a catch for the grown-ups - it's a 'Pay as they play' morning!

Please come and see us, our staff would love to see you and are always willing and able to give advice.

Nursery Grant

Under the Nursery Grant Scheme, if your child is eligible, then the term after their 4th birthday he/she is entitled to **5 free sessions per week**. Please ring Julie Jolley **780445** for more information.

Places

For 1999/2000 places ring Julie Jolley **780445**. Application forms are available at Playgroup, The Library and the foyer of the Village Hall.

Diary Date

15th July 8.00pm - AGM - Small hall, Village Hall Centre.

A new committee will be voted in and an account of the year's activities given. This will be followed by a talk by our guest speaker Mrs. Ruth Pimental, reception teacher at the School, on 'Getting your child ready for School'

We will close the meeting with refreshments and nibbles and have a raffle.

All parents of the Village are welcome. So please support 'your village's name-sake' playgroup.

Fête '99 - Thank you to everyone who backed us and donated prizes. A full list of company donations will appear in next month's BHN.

Vandalism

Please note that our shed roof is **not** a perch for children whilst parents are enjoying themselves nearby. Damage done by this uses up valuable Playgroup funds and must not carry on. If it does, then the repair bills will be sent to the respective parents. So please do not let your children abuse Playgroup property!

Summer Days

Please phone Julie Jolley for dates and info. and check notice boards around the Village.

Thankyous

I would like to thank personally Heather, Jenny and Gill for their dedication, care and devotion to Playgroup. Thanks also to Julie and Lisa.

Grateful thanks to Mr. Graham Spence and the Village Hall Management Committee; just where would we be without Sandra and her help too?

Thanks Mark & Tina for being our lawn carers and last, but by no means least, thanks to my husband, Chris, and daughter, Stephanie, who support Playgroup too. I wish everyone well.

Farewells

We say a fond farewell to the children starting school in September and look forward to welcoming new and familiar children back for the Autumn term.

Woodcraft Folk

Woodcraft Folk is an organisation catering for boys and girls aged 6 years and upwards. Bar Hill has an 'Elfin' group for children aged between 6 and 10. The Foxglove Elfin's meet every Friday evening during term time in the School Studio between 6 and 7.15 pm.

This term the children are working on their 'Out and About' badge. We shall be taking part in a wide range of exciting activities with a natural theme. Plus, by special request, a rounders evening. So there will be something to interest everyone!

Woodcraft Folk is run as a parents' co-operative with all parents of participating children being involved in the planning and running of meetings.

For more information or enquiries about waiting lists, please contact Heather on 200927.

Sunshine Pre-School

The Sunshine Pre-School is in the brightly painted building near the School.

As a member of the Pre-School Alliance, the Pre-School offers a secure and comfortable environment for young children to learn and develop at their own pace.

Our newly created garden now has a roadway, climbing frame, children's playhouse, and many other attractive features, stimulating the children's imagination!

Each session is structured as follows:- During the first half of the session the children are encouraged to participate in a variety of activities - sand and water play, painting, craft, construction play and activities to develop reading and writing skills.

Then, after the break for milk and fruit, comes 'show and tell'. This is where the children talk about an item

Children's Activity Afternoon 2000 15TH JULY 2000 ON THE SCHOOL FIELD AND PLAYGROUND.

If we said that all the things we have booked so far won't cost you much or the day, you'd be pleasantly surprised, but the rides and all the things you can see in our 'wall' won't cost £1, they won't even cost 50p, **they will all be absolutely free!** The only things you'll have to pay for will be the 'optional extras' eg refreshments, ice-creams etc. All we ask of you is to carry on helping us with our various fund-raising events.

For further information please contact Lindsey Bladen 201516, Kirsten Goodfield 200228 or Claire Thorby 781527.

Panmure

The students of the Panmure School of Dance would like to say a very big thankyou and good luck to Jenny Turney for all she has done as a teacher. The recent examinations were a great success.

Jenny is shortly moving to take up a post as a dance teacher in Venice.

Bar Hill Football Club

This is just an update to let you all know what is happening to Bar Hill Football Club.

The A.G.M. was held on the 25/05/99 and I have to say the turnout was very disappointing. Once again none of the players turned up to elect the people who they would like to run their football club so either they think that we are doing a wonderful job or perhaps they are not interested. The result of this apathy is that we are looking for football minded people who are prepared to give up some of their time to help manage what was the largest and one of the most successful clubs in the Cambs. & District Sunday League. If you are interested in joining our football committee please contact Alan Hewings on 201315. As well as committee members, we also need a Reserve Team Manager urgently.

Unfortunately, due to the lack of a suitable manager we will not be running a 3rd team next season, this is a major disappointment to me as I was instrumental in setting up the "A" team and we had some good seasons but without anyone to take charge we had no option. We do not want this to happen to the Reserve Team side so please if there is anyone that would like to become a football manager or help to run a football team now is the time to say so and help keep alive Bar Hill Football Club.

I look forward to hearing from you.

Bar Hill Sports & Social Club

At the time of writing, we are still going through the process of interviewing for our new Assistant Steward and we still have vacancies for Pot Persons and Casual Bar Staff. If you are interested in the latter two posts please see Sue or Lesley for details.

World Cup Cricket has been and gone and we now have World Cup Rugby and the next phase of Euro 2000 Football to look forward to (don't hold your breath!!).

At our last meeting we agreed to provide sponsorship in the form of a donation to the Farmhouse Youth Centre's newly formed football team, subject to further information. Our donations to the Happy Hours Tombola Stall and Sunshine Playgroup were also acknowledged.

We also agreed to make what has become our traditional donation to Children with Leukaemia for their annual party - watch out for a photograph of 'our Cilla'.

If I can also take this opportunity to end the mutual back slapping with regards to the Under 10's trip to Wembley, I have been thanking them and they have been thanking us - I think we all appreciate each other's efforts, long may it continue.

We have also paid the Cricket Club's changing room rental for the season and it is good to see so many youngsters out there during the evenings with Peter & Julie Lemon for coaching - a good investment for the future, worthy of all our support.

Carol Lamont is in the process of organising a trip to Newmarket Races on 28th August with entertainment in the evening. On the 29th August we will be playing rounders in the afternoon (fancy dress optional) and a barbecue with disco in the evening - so look on the notice boards for details as tickets are likely to be limited - first come, first

served (with money!).

We have, (at last), installed a new Goods Lift behind the bar and further refurbishment to the kitchen and store room will now follow, as will a complete refurbishment of the toilets.

Our infamous balcony is also due for replacement and the Village Hall Management Committee and Parish Council have this in hand, but when I do not know - keep asking.

Finally, I recently had an unannounced visit from a former Committee member who some may remember - Pete Goodwin. Pete now runs a pub in Essex and has kept a finger in the music business with his own new band and has offered, for old times sake, to come back and provide entertainment to a place he has fond memories of and good times. So once again watch out on the Notice boards, chalkboards for further info.

Unfortunately all the £1.50 Fosters has gone but we still have plenty of the £1.60 variety left - enjoy!

Happy Hours

My last words to you in the June BHN were of the trip to Scarborough. Five enjoyable days were had by 21 members (so I am informed). Continuous sunshine, not a drop of rain to be seen. Hotel delightful. Trips out most enjoyable. Food superb, and sufficient entertainment in the evenings.

Yes, all in all, no complaints.

This was of course due to our holiday organiser, and Chairman, Phyllis (many thanks; you certainly came up trumps again)!

Trips to come

Wed. 21st July - Yarmouth, Cost: Members £7.50p, Friends £8.50p.

Wed. 18th Aug. - Sandringham and Hunstanton. Cost: Members £4.50p. Friends £5.50p.

Remember - Sid needs to fill the coaches to minimise overall cost, so give details as soon as possible!

If you want to go on any of our trips, just ring Sid, 201384.

Annual Christmas Dinner

The Moat House Hotel, Mon. 13th Dec. Ruby has provisionally booked this event with the Motel. Costs to be announced later.

Thanks

Thanks to the Sports & Social Club Committee for their generous donation of £50 to our 'Bottle Stall' which Jean and Brian Burrage run for us.

Emergencies

Do you know what to do in an emergency?

Recently we had a speaker from the St. John's Ambulance who instructed us on what to do in emergency situations. It was very interesting and helpful.

The St. John's Ambulance do a two hour course which covers what to do in most emergency situations, i.e heart attack, choking, haemorrhage, strokes etc., but they do need 12 or more people to take part. We would be delighted to help arrange this if anybody is interested - please give Phyllis 201127 or Ruby 201384 a ring.

Competitions

Sid is busily organising the various competitions, so keep an eye on the notice boards.

Old Jewellery

Peggie Newman is again collecting and repairing old jewellery. She needs more unwanted jewellery so that she can repair it and bring it to a sale at the Club in the autumn. Last time she raised £21.18 for the Club.

Perpetual Calendar

We have in our kitchen a 'perpetual calendar' which we have had for years. It is simply a twelve month calendar - no dates, just the days - and it allows us to remember events in the past that many others have forgotten.

This month (17th June) it reminds us of the passing of a remarkable man. Arthur Flitton served his country in WW2 in the Royal Engineers and took part in the D-Day landings. He was a good friend, someone who always had a smile and would help anybody. We had many good times (and jokes) and we miss him. He would have been 74 this September.

Humour

An old Spanish saying is that a kiss without a moustache is like an egg without salt!

Do you know the name of the Frenchman who was fired from a cannon at a circus? - Napoleon Blownapart.

Thoughts

*The horse and mule live thirty years
And know nothing of wines and beers.*

*The goats and sheep at twenty die
And never taste Scotch or Rye*

*The cow drinks water by the ton
And at eighteen is almost done.*

*A dog at fifteen cashes in
Without the aid of Rum or Gin.*

*The cat in milk and water soaks
And then in twelve short years it croaks.*

*The modest, sober, bone dry hen
Lays eggs for nogs and dies at ten.*

*All animals are strictly dry,
They sinless live and swiftly die.*

*But sinful, ginful, rum soaked men
Survive for three score years and ten.*

*And some of us, the mighty few, stay
plastered 'til we're eighty two'*

Holiday Club
Monday August
9th to 13th**

Do you know how many gigabytes you want? What about the speed of your modem? Do you want a net server? The demands came thick and fast.

In the face of such questions the man in the shop expected me to give a sensible answer. I smiled somewhat weakly and said that really I only wanted to write letters. He looked depressed. His depression increased when I asked for the cheapest model on the shelf and whether it came with a racing game.

Computers, they are so much a part of our lives; this year it gets worse: they are to be a part of our Holiday Club!

Using the theme of computers we are going to discover 'MegaQuest! God's big plan for the world.' In the face of the evil Dr. Logoff (a computer

joke for those who need the translation) Super Harryo, Cronic and Flora Cruft (ask your children or grandchildren about these) try to save the world from the virus fed into the Programmer's computer. Add to this the 'Boot up Boogie', mix in a 'Game Zone Gunge', and gently sauté with the usual bag of games, crafts, songs, fun and teaching about Jesus, and we have the makings of a great Holiday Club.

Registration details will be available very soon. We expect demand to greatly exceed capacity, but we assure you that we will try and be as fair as possible.

Dates for this amazing week are 9th to 13th August, finishing with a service on the evening of Friday 13th at 6.45pm to which all are invited.

Yours in the hope of sufficient stamina,

Rev. Gary Renison.

'A Stitch in Time'

An exhibition of Samplers from 1760 to the present

10th June - 30th Sept.

How many people today find it a struggle to sew on a button or darn a sock? Quite a large proportion of the population! This new exhibition demonstrates the beautiful and intricate needle-

work done by people in the past.

The Museum has a wonderful collection of samplers. The girls who made them come alive for us today because they stitched their names and ages on them. Some of them were as young as nine and came from local villages, like Melbourn and Comberton.

Samplers were originally made in the 16th century as a means of copying different

stitches for reference, but had become more elaborate by the 18th century, of-

ten including verses and pictures. Victorian samplers are often decorated 'with colourful alphabets, as many were completed by girls at school to demonstrate their sewing skills.

Curator of the Folk Museum, Cameron Hawke-Smith, says: 'Everyone will be astonished by the quality of the craftsmanship and the design of these examples. Weeks of work, often by candlelight, went into these simple pictures in thread.'

For more details contact the Museum. Tel: (01223) 355189.

Y - the change

We can see the Y as a person with their arms reaching up - like a child to a father. This can be us, receiving God's forgiveness and showing our gratitude for his love and the new life he gives through Jesus.

It was because Jesus transformed so many lives and relationships that people decided to set their calendars by him. Today, Jesus still changes the lives of all who come to him.

Choosing forgiveness through Jesus gives us a future where we can know God's love in our heart. And experience his friendship and help each moment of every day.

This is the last in a series of five compelling articles on the theme of Y - which has helped to make clear what made Jesus so unique that history was never the same. You can keep them all as a reminder in the form of book-marks simply by calling into the foyer of the main Church or by speaking to Maureen and Ian Hay (789351).

Well Done !

To 'The Fox' who beat the 'Sports & Social Club' in the Tug o' War competition at the Fete.
